

# WHITE TRASH TOUR 2009 USA

**SONIC NEGROES**  
STOCKHOLM, SWEDEN

Limited Edition  
White Trash 2009 Tour Single  
White Vinyl 7"

No visas, no work permits, no supervision,  
NO PROBLEMO!!!

The SONIC NEGROES are slipping past homeland security to tour the US. The WHITE TRASH TOUR will take these crazy Swedes from coast to coast for 25 dates in July. They'll be livin' out of the ZKR White Trash Van with showers few and far between.

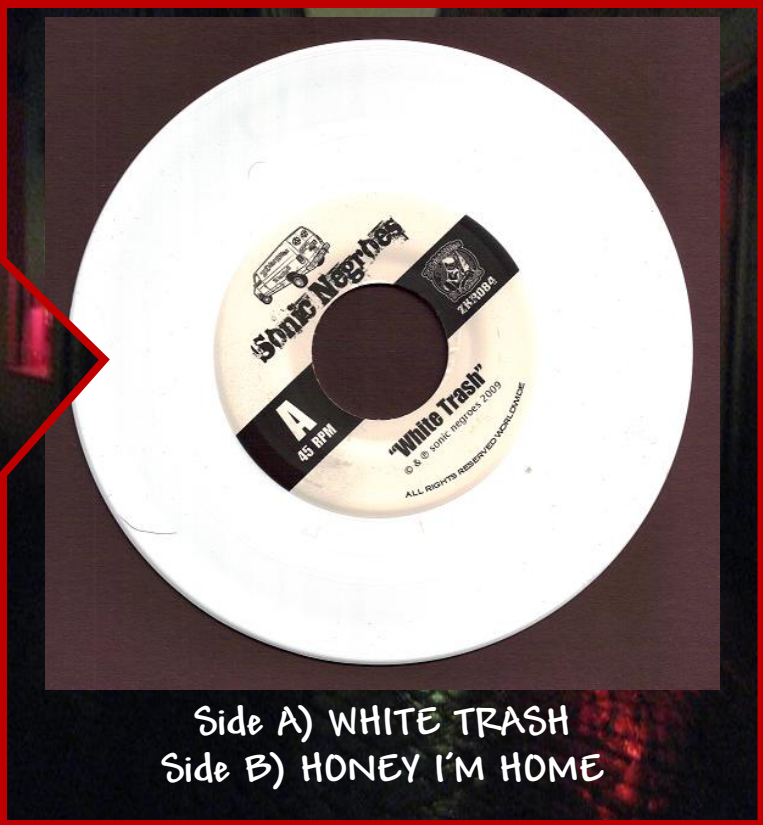

...The guys have recorded 2 new tracks for this tour, and have made them available on a collectable white vinyl, white sleeve 7" Tour Disc.

Please visit them online for a complete list of tour dates:

"Classic Detroit motor city rock with strong inspiration from Stooges and MC5. Singer Hell Man is snotty like Iggy and the guitars are dirty and with good use of wah-wah from time to time" (Low Cut)

"You'll hear some Dictators, a lot of Dead Boys (with a bit more swing), some MC5 and a lot of Supersuckers influences, all viewed through a hard rock/pop prism." (I-94 Bar)
